

The Kinship Families Coalition of Kentucky is a community group dedicated to raising awareness of the issues surrounding kinship care in Kentucky and forwarding recommendations for policy changes to increase supports for kinship families. Members from across the state of Kentucky include relative caregivers, advocacy organizations, and support service providers.

Mission: To promote policies and facilitate connections to increase supports for and with relatives raising children.

Vision: Grandparents, relatives and other caregivers have all the necessary supports to ensure that children in their care can thrive into adulthood.

Goals:

1. Advocate to improve legislative and administrative **policies** to increase supports and remove barriers for kinship families.
2. Support the development of and access to **resources** for kinship families to ensure the health, safety and well-being of both children and caregivers.
3. Promote and apply **research** on best practices, national trends and state and local data to improve the understanding of the needs of kinship families.
4. Improve the **awareness** of the needs and issues surrounding kinship families to gain support for policy changes and increased support.
